

IDAHO SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS

July 21, 1998

Tim Behrens 2801 E. 12th Avenue Spokane, ID 99202

Dear Tim,

I'd like to thank you once again for the marvelous performance you gave last month at the Idaho Society of CPAs' Annual Meeting in Boise. You were a big hit when you entertained our members at the 1995 Annual Meeting, so we knew you'd keep everyone laughing this year, too.

But the best feature of working with you, Tim, is the convenience. As a meeting planner, I certainly appreciate the fact that you handled the audio/visual arrangements with the hotel staff, rather than making me the middleman. You were able to talk them down from their original high price, and you ensured that everything would run smoothly. All I had to do was sit back and enjoy the show.

You also did a great job in customizing the show to suit our audience and our time constraints. I received many compliments from our members afterward, letting me know how much they enjoyed your performance. You certainly wowed them!

I would recommend your services to any corporate meeting planner who wants to provide a special treat for his or her group. Your comedy appeals to a broad audience, and your energy is infectious. Thanks so much for all the work you did.

Sincerely,

Michele Cronen
