Dear Tim,

WOW

The McManus Comedies was the frosting on the cake for Pacific Northwest Shrine Convention, July 15, 2000.

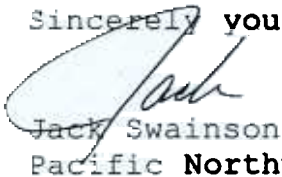

Your performance truly left them rolling in the aisles.

Everybody could relate to every story you told. I have never seen so many people laughing and crying at the same time.

I am still getting calls saying how great the show was some are coming into the office to offer their rendition of how you delivered the punch line by trying to imitate your actions. (Can't be done)

Without reservation, I would recommend your show to anyone planning a convention or business meeting. If you want to send them home smiling, its Tim Behrens performing the McManus Comedies.

Sincerely yours,

Jack Swainson
